Whereas Yeonpyeong Island is located in the Yellow Sea (West Sea) about 50 miles west of the city of Incheon and is inhabited by more than 1,000 citizens and military personnel from the Republic of Korea;

Whereas the United Nations Command established the Northern Limit Line in 1953, marking the line of military control between the Democratic People's Republic of Korea and the Republic of Korea;

Whereas, on November 23, 2010, the Republic of Korea military conducted military exercises in the Yellow Sea (West Sea) on the southern side of the Northern Limit Line;

Whereas, on that day, North Korea military forces fired approximately 170 artillery shells at Yeonpyeong Island, resulting in military and civilian casualties, including the death of 2 marines and 2 civilians from the Republic of Korea;

Whereas North Korea's shelling caused widespread damage to military installations and civilian property;

Whereas North Korea's attack against South Korea infringes upon the commitments made in the Korean War Armistice Agreement of 1953 that oblige military commanders to “order and enforce a complete cessation of all hostilities in Korea by all armed forces under their control”;
